1988 WASHINGTON YOUTH TOUR WINNERS...The Alabama Electric Cooperative recently announced the winners in the 1988 Washington Youth Tour Essay Contest and the winners included two students from Elba High School. Pictured above (l-r) are Rob Rhoades - winner, JoJo Singleton - runner up, Holly Wilson - winner and Mark Ingram - tour coordinator.

Two Elba High School students chosen to represent AEC at youth tour

Elba High School students Rob Rhoades and Holly Wilson have been chosen to represent the Alabama Electric Cooperative in the 1988 Washington Youth Tour during the week of June 14-19, 1988. The Elba students, along with runner-up JoJo Singleton, of Pike County High School, were selected from finalists in the Youth Tour essay contest, which was open to juniors from schools located in AEC's four area municipalities. This included students from Andalusia, Elba, Opp and Pike County High Schools.

Rhoades, the son of Mr. and Mrs. Jim Rhoades, is a member of the Beta Club and the honorary 4-H Gold Key Fraternity and in 1987 was chosen as Coffee County's Outstanding 4-Her.

Wilson, the daughter of Mr. and Mrs. Ben Wilson, is a member of Mu Alpha Theta and the A Honor Roll and is vice-president of the Spanish Club.

Coffee County man killed Saturday night in freak accident in Enterprise

A 21-year-old rural Coffee County man was killed over the weekend from injuries received when he apparently fell beneath a car at a parking lot in Enterprise.

Enterprise Police Chief Tim Byrd reported that Jack Derrick Harrison, age 21, of Rt. 3, Elba, died Sunday from injuries he received Saturday night after falling beneath a car in the Enterprise Shopping Center parking lot.

Debbie Williams honored by wire service

Elba native Debbie Williams continued to add awards to her long list of credits last week when the Associated Press and United Press International announced that she had been awarded radio honors for the second straight year.

Williams, the daughter of Mr. and Mrs. Herschel Williams and a graduate of Elba High School and Troy State University, was recently named as the news director at Montgomery radio station WLVI/FM AM.

Senator Shelby wins award

United States Senator Richard Shelby has been chosen by the Coalition for the Strategic Defense Initiative to receive the first annual

SDI Congressional Leadership Award. Alabama's freshman senator was honored on March 23 at the Capitol Hilton, South American Room. Sen. Shelby was chosen to receive the honor because of his continued support for SDI funding.

Cassidy wins two awards for Farm-City work

Coffee County Farm-City Chairman Tom Cassidy received two top awards in the Alabama Farm-City Week observance.

One award was for Best Farm-Week Proclamation category in Division I.

Making the awards was Vernon Miller, regional editor of Progressive Farmer Magazine. The presentation was made at the awards meeting of the Alabama Farm-City Week Committee in Birmingham recently.

As the news director at WLVI, Williams also accepted the prestigious "A.P. Pacemaker" and "U.P.I. Newsleader" awards for the station's news department. The honors are the highest awards presented by the wire services.

It was also announced that Williams had been named to the state Associated Press Board of Directors for 1988.

Circuit Court injunction to prevent Mutual Savings vote at NSIC meeting

Coffee County Circuit Judge Gary McAiley issued a preliminary injunction this week barring Mutual Savings Life Insurance Company from voting at a meeting of the stockholders of National Security Insurance Company, set for today (Thursday, April 21) in Elba.

National Security, of Elba, had filed suit against Mutual Savings, of Decatur, claiming that the company had acquired 22 percent of National Security's stock illegally and in granting the injunction, Judge McAiley stated that to allow Mutual Savings to vote with stock that may have been acquired illegally would have caused National Security, its insured and its stockholders "irreparable injury."

State Insurance Commissioner Jack Greeno ruled against the purchase of National Security stock by Mutual Savings in March on the grounds that the possible takeover of National Security would not be in the public's best interest, would lessen competition in the field and jeopardize National Security's financial stability.

Annual Spring Chicken Festival set April 23-May 1 in Coffee County

The 3rd annual Shriners' National Spring Chicken Festival will be held on April 23 - May 1 and to help kickoff this year's event members of the DOER Shrine Club last week officially announced plans for the upcoming event.

Shriners president Larry B. Johnson stated at last week's press conference that the festival planned to add at least one event each and every year and predicted that the festival would catch up with the Peanut Festival in only "three or four years."

This year's activities include: ***Carnival at the Coffee County Fairgrounds April 27-30 complete with country music shows Friday and Saturday, April 29-30. Admission to the parking area, the fair midway and shows is free!

Mrs. Patterson to head Kinston St. Jude drive

St. Jude's Children's Research Hospital officials have announced that Mrs. Mandy Patterson will chair the Hospital's "Wheels For Life" bike ride in Kinston this spring. This ride will raise funds to support the Hospital's battle against childhood cancer and other illnesses being studied there.

Founded in 1962 by entertainer Danny Thomas, St. Jude Hospital has become the world's largest center for the study of childhood cancer and is the only institution dedicated solely to the treatment and study of catastrophic childhood diseases. The Hospital is non-sectarian and interracial.

In addition to direct treatment of patients throughout the United States and 29 foreign countries, St. Jude has provided the world's doctors with the best means of treating their own young cancer patients. This life-saving knowledge is given free and with no charge to any other hospital of private physician.

Kindergarten registration set for today & Friday at Elba Elementary

Kindergarten registration for Elba City Schools for the 1988-89 school year will be Thursday, April 21 - 8:30 a.m. - 5:30 p.m. and Friday, April 22 - 8:30 a.m. - 2:30 p.m. at the Elba Elementary School.

All students must have a birth certificate and blue immunization certificate at the time of registration. He/she must be five years of age on or before Oct. 1. Educational services are provided for 5-year-old exceptional students. Present kindergarten students will attend school on these two days as usual.

CRUISING DOWN THE RIVER... The members of the Magnolia Garden Club were treated to a trip down Pea River Saturday morning as part of a promotion of the area as a recreational paradise. The promotion is being conducted by the members of SEABASS, a local sportsman's group that is interested in developing the river for recreational purposes, including fishing. The ladies were the first of three groups to take the tour and returned ready to financially get behind the efforts to improve the river area. Members making the trip included Jean Kennett, Carolyn Brunson, Lurlean Martin, Laura English (and grandson Lee) Erma Warr and Myrtle Sellers.

PASTOR'S CORNER

DR. DOUG DORTCH
FIRST BAPTIST, ELBA

"Pastor," the lady began, "do I have to love everybody?"

No further explanation is needed, is it? We've all been there. We've all brushed up against those biblical admonitions to relate unconditional love to others.

"Love your enemies." "This is the commandment I give: that you love one another." "Little children, let us not love in word or speech but in deed and in truth."

The Bible is full of verses that remind us of our responsibility to embrace all of our neighbors, both the lovable and unlovable.

But at the same time, we've also been rubbed the wrong way by folk whose personalities constantly clash with ours. We've argued with neighbors. We've been put out with business associates. We pull the silent treatment with those who have sinned us. We've walked across the street so as not to face those who don't come up to our standards.

Now, does Jesus really expect us to love these kind of people? The woman's question is all too familiar. We have asked it ourselves hundreds of times. "Do we have to love everybody?"

Jesus says, "Yes." Love is the requisite mark of the Christian. Disciples of Jesus are to go beyond pious platitudes of gushy emotion for the world at large. Believers must take in the world just as God does. We are to love in his name.

Now, before you close the paper and go to read something else, listen to how the Bible says we accomplish this seemingly superhuman feat. By "abiding" in God, by "living" in the Spirit, we are able to work for the good toward others in the same ways we seek our own best interests.

None of us is able to do much loving by himself. Once, however, we avail ourselves of the resources of God's presence in our lives, suddenly we see ourselves doing and working and toiling for others. We open ourselves to those to whom once upon a time we wouldn't give the time of day.

"Love is something you are" is

the way a youth musical expressed it several years ago. It's still the truth, isn't it? When you help a neighbor, when you take time for a stranger, when you repay insult with understanding, you're really not doing anything special. You're just being who you are - a Christian.

"Pastor, do I have to love everybody?" Let John's epistle give the answer: "And this is his commandment, that we should believe in the name of his Son, Jesus Christ, and love one another, just as he commanded us." (1 John 3:23).

Victoria Baptist Church To Hold "Real Life Rally" April 24-27

Victoria Baptist Church is planning "four great days of spiritual renewal" through a real-life rally at the church April 24-27.

Special evangelist will be Jerry Haley, Director of Missions for Coffee County Baptist Assn. Music will be led by Wesley Haley, Minister of Music at First Baptist Church of Arab.

Services will be held at 11 a.m.

and 6 p.m. on Sunday, April 24, and at 7 p.m. Monday - Wednesday.

There will be a "Pizza Blast" for all youth following the Sunday night services.

"Pastor's Pals" will meet each evening at 6:30. This is for children from the sixth grade down.

Pastor Larry Doster says "Join us and discover what real life is!" Everyone is welcome.

Elba United Methodist Church To Show Series Of Films

The Elba United Methodist Church will have a series of film showings on the family entitled "Focus on the Family" by Dr. James Dobson.

In the series "Turn Your Heart Toward Home," Dr. Dobson, "America's most trusted family expert," brings his experience to bear on one of society's most pressing challenges - the protecting and strengthening of family relationships, said a church member.

Dr. Dobson and Shirley Dobson urge individuals to get involved and return to the traditional values upon which families are best created and nurtured.

The films will be shown on the following dates:
April 24 & 27
May 1 & 4

Time will be 6 p.m. in the fellowship hall of the church, located at the corner of Claxton and W. Davis St.

Everyone is invited.

Outstanding Student - Auburn University student Gregory K. Henderson, (left), has been named Outstanding Student in the Dept. of Computer Science and Engineering. The award was presented during Engineering Week ceremonies by M. Wayne Aldridge, acting dean of the University College of Engineering, Henderson, the son of Mr. and Mrs. Comer K. Henderson of Elba, was selected for the award by faculty members in the department. Henderson was commended for having excelled in scholarship, interest and ability in the profession of engineering.

Used Book Sale Set For April 17-23 At Cross Trails

Regional Library In Opp

In honor of National Library Week, April 17th to the 23rd, Cross Trails Regional Library will be holding a used book sale on Saturday, April 23rd, from 10:00 a.m. until 5:00 p.m. in the meeting room of the library. There will be books covering a wide range of subjects, but children's novels and picture books will be most heavily represented. People are urged to examine the books before buying, and all the library asks is that you don't give them back.

Cross Trails is located north of Opp on Highway 331 in the same building as Opp Public Library and next door to MacArthur State Technical College.

Mrs. Frank Anderson Presents \$25,000 Grant To Troy State

Mrs. Frank Anderson of Lineville has given Troy State University \$25,000 to support the university's pioneering efforts in athletic training which provides institutional and clinical experiences in the care, prevention, evaluation, management and rehabilitation of athletes.

Mrs. Anderson made the contribution as a living memorial to her late husband, Frank Anderson, who was a civic leader in Troy and former president of the Farmers and Merchants Bank of Troy (now First Alabama), as well as a strong proponent of Troy State and high school programs in the area.

In making the presentation to TSU chancellor Dr. Ralph W. Adams, Mrs. Anderson praised his leadership at the university. "I have watched the university and its programs grow. The athletic training component not only provides training for college students but serves high school students as well," Mrs. Anderson said.

ZC Carpentry Class Visits Howell Plywood Company

By: Jane Davis
The Zion Chapel Vocational Carpentry class visited the Howell Plywood Co. of Dothan on April 11. Students making the trip were Mick Napper, Greg Hall, Scottie Lee, Shannon Morris and Donald Arnette. The students observed first-hand how

plywood was made; they saw how it was cut off the log, sanded to the size they wanted, and pressed and glued together. The field trip, hosted by Mr. Warren Pless, class instructor, was considered a success even though it rained.

REBEL BRIEFS

LASAGNE AT MRS. BRYAN'S

By: Jackie Parrish
Mrs. Rachel Bryan, a sponsor of the Future Business Leaders of America (FBLA), had a lasagna party for the FBLA, choir and those who competed at the Phenix City Vocational Center convention held recently. Mrs. Bryan told the group she was very proud of them. The party was held at her home, and those attending included: Lee Kelley, Wanda Barnhill, Jane Davis, Wayne Davis, Helen Baker, David Sear and his wife Jane. The party was a lot of fun for everyone.

FOURTH GRADE VISITS GOVERNOR'S MANSION

By: Jackie Parrish
The fourth-grade class at Zion Chapel Elementary School went to Montgomery on a field trip recently. They toured the Governor's Mansion, the Archives Building and went to the zoo. At the Governor's Mansion they toured the yards and first floor, saw the swimming pool shaped like the state and the fine china that was to be used in a luncheon at the mansion that day. They took an Indian tour at the Archives Building and were allowed to look at the artifacts such as pottery and arrowheads, and touch them. They also heard a presentation.

At lunchtime students and chaperones were treated to a sack lunch at the Archives grounds. The lunch had been prepared by the luncheon staff at Zion Chapel. One chaperone, Jimmy Bryan, was heard to say, "This is the first time I have ever had a picnic lunch in downtown Montgomery."

Ramona Grantham, Paula Cotton, Pam McWaters, Debra Bragg, Linda Rodgers, Chris Suley and Jimmy Bryan were chaperones. Mrs. Suley, an elementary teacher, said, "The purpose of the trip was to enhance the social studies program at Zion Chapel Elementary School."

FFA LEARNS MORE ABOUT THE SOUTH ALABAMA ELECTRIC CO-OP

By: Chris Moultry
Mrs. Dot Youngblood, an employee of the South Alabama Electric Co-op, was guest speaker at the monthly Future Farmers of America (FFA) meeting. She told the group about the founding of South Alabama Electric Co-op on June 12, 1941. Mrs. Youngblood showed the members a film on Co-op work and explained that the counties of Crenshaw, Pike and Coffee make up the co-op. Mr. Harold Stewart, Agricultural teacher and advisor for FFA said, "South Alabama Electric Co-op is helping sponsor most of our county FFA contests."

Mr. Youngblood told the group that there are 12 co-ops in the state, and said, "There are a lot of job programs for young students just getting out of school, such as a poleman (a person who climbs the utility poles)."

She concluded her visit by presenting the members a treat from the co-op.

HERFF JONES REP VISITS

By: Lavonia Johnson
Mrs. Cheryl Murchison, a Herff Jones representative, came last week to meet with the junior and sophomore annual staff members to discuss ideas about next year's yearbook cover. They also drew a rough draft of the ideas they liked best. Junior and sophomore members discussed the possibility of some of them traveling to the Herff Jones workshop in South Carolina. At the workshop members will draw sketches and learn more about type and print sizes. Even though this year's yearbook cover and pages are almost finished - the staff cannot stop - they must start on next year's - to get ahead.

It's Baseball Season For Zion Chapel Rebels

By: Todd Rugg

ZC vs. Elba
The Zion Chapel Rebels went to Elba to battle the Elba Tigers last week in a cross-town rivalry that ended in the Rebels third straight loss.

The Tigers jumped out early, scoring 10 runs in the first inning of play. The game did not go the full seven innings, but was stopped in the fifth with the 11-8 Rebels winning 18-0.

The Rebels record slips to 0-2 with the loss. ZC plays Goshen. The Zion Chapel Rebels traveled to Goshen to play the Goshen High Eagles last week, and the Eagles defeated the Rebels 14-1 in the fourth inning. Thomas Boswell scored the only run for the Rebels off a triple hit by Bryan Little. The Rebels' record slips to 0-3 for the season.

Preparations Underway

For Annual Miss Zion

Chapel Pageant

By: Gina Huckabaa

Preparations for the Miss Zion Chapel Pageant are well underway as Zion Chapel High School gets ready to choose a representative for the Miss National Peanut Pageant.

There must be at least five girls entering in order to hold the pageant. A date of May 28 has been set, and a few changes have been made to improve the competition.

In the past the pageant consisted mainly of essay-writing, interview, on-stage appearance, and Miss Congeniality. This year an on-stage question will be added. "I think the on-stage question will add more interest for the audience," said Lavonia Johnson.

Mrs. Rhonda Brunson, sponsor, also feels the on-stage question will add interest. "The question will be secret until presented to the ladies on stage," said Mrs. Brunson. She also said it would help the audience to get to know the contestants.

Views From The Pressbox By, Ricky Mularz

The members of the Mularz clan were "Brunsons for a day" last weekend at the annual Brunson reunion and while I do enjoy seeing some folks that I get to see only once a year, I also enjoy the barbecue and going down the food line. If you've never been to one of the reunions just tell Marion Brunson and he just might let you join the fun!

TIGER BASEBALLERS ON WINNING STREAK

The Elba Tiger baseball team rolled to a total of five wins last week over four different opponents to up its record to 7-3 and in doing so upped its Area 4 slate to 4-0, giving the Tigers a leg up on a second straight Area championship and a trip to the Class 3A state tournament.

The Tigers opened the week with wins over Arton and Zion Chapel in a doubleheader, then after edging Daleville on the road returned home to sweep Louisville in what turned out to be a laugher. The competition may not have been the toughest of the season during the week, but whenever you play Area foes the pressure is on and you're playing teams with the same talent level as yourself and Arton is always a very good 1A club. So, you can say what you want, but at least four of the wins were because of the Tigers play and not the play of their opponents.

The Elba hitting continued to look good last week and taking a quick glance down the averages it's not hard to figure out how the Tigers scored a total of 66 runs in only five games. Greg Hanchey leads the Tigers at the plate with a lofty .548 average, while Kevin Matthews and Kenneth King, both sophomores, follow at .400. Sophomore Wade Hart is batting .391 and knocked in 6 runs in the win over Daleville and other top hitters include Matt Henderson (.333), Chris Thomas (.333), Wynn Grimes (.300), Jason Johnson (.318) and Jason Grider (.308).

Pitching is always a big part of any team and through 10 games the Tigers appear as strong as ever on the mound. Freshman David Rowe pitched a no-hitter against Zion Chapel and followed it up with a 1-hitter against Louisville. During the span of the two games, Rowe pitched a total of nine innings, allowed only one hit, walked three batters and struck out 20. Not a bad week! Junior Leon Coleman posted three wins during the week, with two wins coming in only five innings, which is an average of three per inning. Not bad! Elba also has a very good pitcher in Tim Sullivan, who has superb control and two good relief pitchers in Stevie Sauls and Kenneth King. What makes it all even better is the fact that not one of the pitchers is a senior.

The Tigers have some big games left, including a very big doubleheader Monday against Daleville with the Area title on the line, but winning five games in one week works wonders for a team's confidence and I look for the Tigers to close out the season with a bang!

YOUTH LEAGUES ARE READY TO START

The Dixie Youth and Babe Ruth baseball leagues swing into action next week and from all I've heard and seen it looks like a good summer of baseball is on the way.

The Dixie Youth League, for players ages 9-12, appears ready to make a change at the top with the Astros being the team to beat, followed by the Mets, Tigers and Pirates. The Cardinals and Yankees should be solid teams and from talking with the coaches every game will be a toss up with any team being able to win on any given night. That's great for the players and even better for the fans.

The Babe Ruth League appears to be more balanced than ever and from what I've seen it's going to be a super year! All the teams have proven pitchers returning, which makes life easier for us umpires, and with good pitching the games should be fun to watch and very competitive. The Reds were favored last year and finished second, but have to be favored again and will be challenged by every other team, including the White Sox, A's and Dodgers. This league is going to be fun to watch!

STEELE'S SILVER BULLETS ROLLING ALONG

The Steele's Silver Bullet softball team is still touring the nation and as of last week the defending national champs had a 103-5 record. The Bullets failed to set any records at their stop here in Elba earlier in the season, but last Wednesday night in El Paso, Texas had their hitting shoes on and blasted an El Paso team 109-7 in a game that was stopped in five innings. The 109 runs broke the team's record of 108, set last year, and came in a park with 300 foot fences. The Bullets scored 29 runs in the first inning, 30 in the second, 11 in the third, 33 in the fourth and 6 in the fifth to roll up the score and were led in the win by Ken Dain, who hit 7 homers and knocked in 19 runs. Mike Macenko also hit 7 homers and added 17 rbi's.

Maybe Elba's 275 foot fences scared the big boys!

IN CLOSING...

The Elba Tigers are looking for a tenth football game this week after being notified that Clayton would not field a team for the 1988 season. I'll admit that Clayton lacked a lot in football last year, but it's not right for a 3A school to field a team in only one sport and simply spend the entire year getting ready for basketball. It's too late now, but the AHSAA needs to pass a minimum participation rule for all its members.

Babe Ruth Baseball To Begin Next Week

The Babe Ruth Baseball League season will begin the week of April 26 in Elba with a doubleheader slated for both Tuesday and Thursday nights at Legion Field.

In the season opener at 6:00 the Reds will meet the Dodgers, while the nightcap at 8:00 will have the White Sox challenging the A's.

On Thursday night, April 28, the 6:00 matchup will have the Dodgers against the White Sox and

Mens Softball League To Begin Season April 25

The Men's Softball League will begin its season on Monday night, April 25 at the Hawkins-Williams Recreation Complex and from early indications it appears like the league will consist of eight teams.

Teams already entered in the league include defending champion Cook Chevrolet, County Merchants, Elba Merchants, Claxton Corner, Kleiners, Kelley's Packing, Hickman Moving and Storage and the Elba Independents.

White Cook Chevrolet strolled through the season last summer, the return of Hickman Moving and Storage (formerly SouthTrust Bank) will make the league more interesting and teams like the City Merchants and Elba Merchants should make the season one enjoyable to watch.

Exhibition Season Set To Start In Dixie Youth

The Dixie Youth Baseball League will begin its exhibition season on Monday, April 25 at Legion Field and continue throughout the week with a doubleheader scheduled for Monday, Tuesday and Thursday nights.

The opening night of exhibition will have the Mets meeting the Tigers at 6:00, to be followed at 7:30 by a contest between the Cardinals and Pirates. Tuesday night, April

Frank Jackson State Park Lake To Remain Closed

The Alabama Department of Conservation and Natural Resources announced last week that the Frank Jackson State Park Lake, located near Opp, would remain closed to fishing until June, 1989, or until biological fish sampling results indicate that it is ready for fishing.

Comm. James D. Martin reported that he had based his decision to keep the lake closed to fishing following the Game and Fish Division's recent electro-fishing survey at the lake. The survey results re-

vealed that 81 percent of the largemouth bass in the lake were smaller than eight inches long and that 93 percent of the bluegill were smaller than six inches long.

Comm. Martin added that fisheries biologists would continue to monitor and evaluate Frank Jackson State Park Lake in an attempt to insure that the lake can be opened to fishing as soon as lake conditions and fish populations are able to support the fishing pressure.

Privilege Cards Benefit Both Golfers & Association

The American Lung Association Golf Privilege Card is once again available to area golfers. For \$25 golfers can obtain the card which waives the green fees for one 18-hole round of golf at each of the 58 participating golf courses and all proceeds from the card will go to the American Lung Association.

George Lindsey Stars Show Set For April 23

The 16th annual George Lindsey Celebrity Benefit Golf Tournament will be held on Sunday, April 23 at the Arrowhead Country Club in Montgomery and will feature the stars of the year's lineup including Roy Clark and the Wild West Band, Johnny Lee, Girls Next Door, Janie Fricke, Mel Tillis and the Statesiders and of

course, George Lindsey. Tickets are \$12 and \$15 and are on sale at the Montgomery Civic Center Box Office. Mail orders should be addressed to: GREAT STARS SHOW, MONTGOMERY CIVIC CENTER, P.O. BOX 4037, MONTGOMERY, ALABAMA 36101. Please include a self-addressed stamped envelope.

The Reds chased the Sox down to the final week of the season last summer and with returnees like pitchers Kenneth King and Mark Magwood, Coach Harry Jacobs appears to be ready to once again challenge for the crown. Other key players back for the Reds include John Jacobs, Shawn Diehl, Joe Johnson, Joel Kirkland, Dee Miller and Derrick Deal, making the Reds a team to watch.

The A's, coached by Robbie Curran, proved last season that it could beat any team on any given night, and could be a team to keep an eye on when the season starts. Mark Matthews and Shane Spurlin return to anchor the pitching staff and when you add quality returnees like Todd McCall, Bennie Daniels, Ronald Thigpen, Tommy Young, Hunter Hudson, Rob King, Brian

Lusher and Chris Armstrong, it doesn't take long to realize the A's could be solid once again this season.

The Dodgers struggled last season after dominating the league for the past three years and while Coaches Robert Bowden and Ronnie Young again appear to be wearing the hat of the darkhorse, the Dodgers also have quality returnees like pitchers Hayden Young, Jamie Whitworth and Chad Dawkins and could surprise some folks. Others being counted on by the Dodgers are Ronnie Joe Edwards, Terry Goosby, Richie Bedsole, Marcus Tyson and Jason Burch.

If the Dodgers can get the pitching needed to win in the highly competitive league it could be a surprise challenger for the title.

Bobby Taylor caught this 8-pound bass while fishing Saturday, April 16 at the Coffee County Lake. He was using a "Skeeter Hawk" for bait.

George Lindsey Benefit Tourney Set For April 24

The 16th annual George Lindsey Celebrity Benefit Golf Tournament will be held on Sunday, April 24 at the Arrowhead Country Club in Montgomery and will feature the stars of the year's lineup including Roy Clark and the Wild West Band, Johnny Lee, Girls Next Door, Janie Fricke, Mel Tillis and the Statesiders and of

Robertson, Gordie Tapp and Mel Tillis.

Tee off time for the golf tourney will be 10:30 a.m. and tickets will be available at the gates of Arrowhead Country Club all day Sunday, with ticket prices being \$2 for children under 12 and \$3 for adults. Auto-graphs and picture taking is encouraged!

DON'T DIG... UNTIL YOU CALL

Not all telephone cables are on poles. Many of them are underground.

If you are planning to dig a foundation, drill a well, put up a mail box, plant a tree... don't do it until you are sure that there is absolutely no danger of hitting an underground cable.

Just call us before you dig. You'll find our number in the "Customer Information" section at the front of the telephone directory. GTE personnel will check out the location as quickly as possible, and let you know where the cables are located.

When an underground cable is damaged, we all lose. Your job is held up, and you can incur substantial repair expenses. One cut cable can disrupt telephone service to hundreds - even thousands - of customers.

Cut cables are easy to avoid, if we all remember: Don't dig up trouble.

Elba Tigers Are On A Tear

Elba's Greg Hanchey attempts a bunt in last week's 18-0 win over Zion Chapel. Hanchey is leading the Tigers in batting and has been a spark during the Tigers' recent five game winning streak.

Area 4 Baseball Title On The Line In Monday Elba-Daleville Clash

The Elba Tigers will put their state tournament hopes on the line on Monday afternoon, April 25, when they host the Daleville Warhawks in a doubleheader that will decide the 1988 Class 3A, Area 4 baseball championship.

The opener will begin at 3:30 at Legion Field and the nightcap will follow after a short intermission.

All Tiger fans are urged to come out for the Area championship game and cheer on the Elba Tiger baseballers!

Umpires To Meet April 24

The Elba Umpires Association will meet on Sunday night, April 24 at 7:00 p.m. at the Elba Public Library and all umpires and prospective umpires are urged to attend. Assignments for the opening

week of baseball and softball will be made at the meeting and only those umpires in attendance will receive assignments.

For more information, call Ricky Mularz at 897-5977 (night).

Gloves Needed For Leagues

Several players in the youth baseball and softball leagues are in need of gloves for the upcoming

season and anyone who has a glove that is usable is asked to bring the glove to City Hall. Gloves that

need to be restrung will be accepted and repaired at no cost to the person making the donation.

The Elba Tigers combined 12 hits with 16 walks to bury the Louisville Red Devils 25-0, Friday afternoon in Elba.

The Tigers drew 6 walks and combined them with hits by Stevie Sauls, Jason Grider and Jason Johnson in the first inning to jump out to a quick 6-0 lead and then after failing to score in the second added 6 runs in the third to extend their lead to 12-0.

The third inning runs were the result of 2 walks and hits by Jason Johnson, Greg Hanchey, Wade Hart and Jason Grider.

Louisville got its only hit of the game in the fourth inning, but there was little room for celebration as the Tigers came in to bat in the bottom of the inning and plated 13 runs to up their lead to 25-0!

Wade Hart and Stevie Sauls got 2 hits apiece in the big inning, while 6 walks and 2 errors also helped the Tigers put the win on ice.

Wade Hart, Stevie Sauls and Jason Johnson got 3 hits apiece for the Tigers, while Jason Grider added 2 hits and Greg Hanchey added 1.

Elba pitcher David Rowe tossed a 1-hitter and struck out 8 batters.

Elba completed a doubleheader sweep of Louisville as the Tigers dumped the Red Devils 5-1.

Louisville grabbed a 1-0 lead in the first inning on a home run by 4 walks and 1 hit, but the Tiger reserves rallied with 3 runs in the bottom of the inning to take the lead for good at 1-1.

The 3-run outburst was helped by 3 walks, while Greg Hanchey ripped a two-run double.

Back-to-back singles by Hanchey and Brian Free resulted in a tie game as the Tigers' lead went to 4-1 and Elba added a lone

run in the fifth on consecutive hits by Willie Flowers and Kevin Matthews to make the final 5-1.

Greg Hanchey and Willie Flowers got 2 hits apiece for the Tigers, while Kevin Matthews and Brian

Free both added 1 hit.

Leon Coleman tossed a 1-hitter and struck out 15 batters in 5 innings to get the win on the mound.

Brantley Claims Area 4 Win

The Kinston Bulldogs and Brantley Bulldogs tied up last week in an important Class 1A, Area 4 battle and in what turned out to be a pitching duel it was Brantley who came out on top 3-2 in an eight-inning thriller.

Kinston jumped out to an early

1-0 lead in the third inning when Chad Keith ripped a two out double and came around to score on a single by Todd Hawthorne and then extended its lead to 2-0 in the top of the seventh when Wyatt Donaldson reached on a two out walk, stole second and scored when Scott Jacobs came through with a single.

Brantley's Chad Carpenter reached on a one out walk in the bottom of the seventh inning to give the Bulldogs hopes of a rally and when Jeff Bush followed with a single the Dogs had runners on second and third. A strike out dimmed Brantley's hopes; however, Chad Bryan came through with a two out single that knocked in both base-

runners and sent the game into extra innings with the score knotted at 2-2!

Kinston failed to score in the top of the eighth, but Brantley was ready to get the game over with and scored quickly as Andy Kimbro led off with a double and raced home when Kinston failed to field a fly ball by Anthony Eiland as Brantley claimed the 3-2 Area win.

Brantley's Wesley Person tossed a 5-hitter and struck out 16 batters to notch mound win, while Kinston's Chad Keith allowed only 4 hits and fanned 12 batters.

AN EQUAL OPPORTUNITY EMPLOYER

It's almost summer camp season for basketball players and almost 3,000 young players are expected to attend the Bison Basketball Camp this summer at David Lipscomb College, in Nashville, Tennessee.

The Bison Camp includes shooting and position play sessions for both boarding and day campers, ages 7-18, and last summer attracted 3,005 campers from 22 states, including 551 campers from Alabama.

David Lipscomb's Coach Don Myer, whose Bisons won the NAIA national championship in 1986 and have been to the national tournament four times since 1982, directs the event and tells all basketball players that the "Bison Camp is the place to be."

The camp is not all basketball, with campers attending sessions on goal setting, making notes on team meeting, writing thank-you notes to parents and other motivational messages.

Camp brochures are available by calling Bison Camps at 1-800-251-2054.

Coaches Needed For Youth Leagues In Elba

Coaches are still needed for minor league baseball and girls softball for the upcoming season. The baseball league is for boys ages 6-9, while the girls softball is for girls ages 9-12.

Anybody willing to coach a team should contact Dennis Smith at 897-6833 or 897-2333. The leagues are expected to start the week of May 23.

"And I saw heaven opened and behold a white horse; and he that sat upon him was called Faithful and True, and in his righteousness he doth judge and make war."

"His eyes were as a flame of fire and he had a name written, that no man knew, but he himself. And he was clothed with a vesture dipped in blood; and his name is called The Word of God."

"And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations; and he shall rule them with a rod of iron; and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, King of Kings and Lord of Lords." Rev. 19:11-14

"...Do you have drawers and drawers of fabric you have purchased through the years that you have never used? If I had made every piece of fabric that I have stacked up in my house, I would have a new wardrobe for winter and summer."

"...If you are in the same boat I am in, you need to come to our Fabric Swap and Sale being held May 18 from 10:00 a.m. till 1:00 p.m., at the Community Room in New Brockton. You will need to reserve space in order to participate in this swap and sale. After you call and reserve your space I will provide you with pricing suggestions for your fabric and sewing notions."

"...Mark this date on your calendar. Who knows, after you participate in this you may have enough n make you a new spring and summer wardrobe. Best yet getting rid of your old fabric."

"...Mrs. Frances Ouelia CUNNINGHAM - Singing Lady"

"...Frances O. Cunningham resides in Opp, the daughter of Queen Ester Stoumenier and the late Jimmy Stoumenier. Her husband was the late James Earl Cunningham."

"...She received her education at the Opp Elementary and High Schools. She is a member of Opp Church of God in Christ, treasurer for the Evangelism Dept., Elder H.H. Rawls, pastor, Elder J.C. Rogers, associate pastor."

"...Frances said, "I love to sing. My mother and other family members encouraged me to sing. The doctor wanted me to stop because it was affecting my health (throat), but I felt that the Lord put music in my heart to sing, so I'll sing on as long as I can."

"...She has a group, The Cunningham Family, that makes an enormous impact in the singing world every go. She is the organizer and sponsor of the group."

"...Frances is a talented speaker and she sings for singing groups and choirs in Alabama, Georgia, Florida and Mississippi. She is a former employee of Memorial Hospital in Opp and is presently employed at Sweet Pledge of Opp."

"...She has seven children: Elder James Earl Cunningham, Jimmie, Marvin, John, Josephine Jones, Yvonne Holley and Anna Cunningham."

"...Frances says, "Opp is a fine place to live. God has been and still is good to me. I enjoy helping anybody I can. I visit the sick in the hospital and in their homes. My favorite song is 'I'm Holding On, and I Won't Let Go of My Faith.'"

Math/Science Tourney Held At Elba

The fourth annual Math/Science Tournament was held at Elba High School on March 26. This tournament recognizes and rewards academic achievements in math and science for students in grades three through eight. Approximately 300 students participated. Thirty teachers, parents and older students helped by administering and grading tests and serving at break times.

Each participant received a certificate; ribbons were awarded to the honorable mention winners, and trophies to first- and second-place winners in each category and the combined winner in each grade. Tuition for Space Camp in Huntsville was awarded the top overall combined winner.

Jake Stokes was overall combined winner, but since Jake went to the camp last year, he is ineligible to attend again this year, and the trip was awarded to Robyn Rhoades - Space Camp winner.

County Commission kills \$800,000 resurfacing plan

The Coffee County Commission met in regular session on Monday, April 25, at the courthouse in Enterprise and by a vote of 4-3 killed a proposed \$800,000 highway resurfacing plan outlined by the county engineer.

Coffee County engineer Mark Pool told the commissioners at Monday's meeting that he had recently graded all the roads in the county and had discovered that 12 percent of the roads were "falling apart."

"We have some roads that are simply falling apart," declared Pool, "and if they aren't repaired now they will be in even worse shape after the winter. If we have a wet, cold winter we may have to actually dig up some roads to keep them passable. I know that \$800,000 is a lot of money, but if you wait a year or two it'll cost twice as much to do the same repairs not to mention the routine maintenance. You can pay for it now or pay for it later."

The engineer reported that 52.5 miles of roadway would receive treatment and approximately 14 miles would be treated with plant mix at a total cost of \$821,000.

"Contractors will be in the area doing federally funded roadwork at the same time this summer and since roadwork has been slow we should get a real good price," stated Pool.

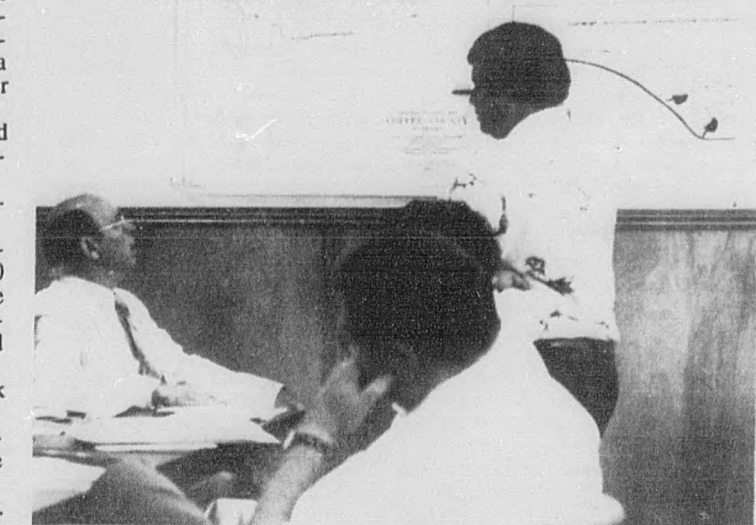

Several commissioners voiced opposition to the plan, stating they didn't want to place a big debt into the lap of the incoming commission, while others felt that now was the time to do the work because of the poor condition of the roads.

"I would like the commission to pass the motion today," said Pool, "so I can send out the bids and open them at the May 9 meeting and get the resurfacing underway this summer."

Comm. Billy Eagerton made a motion to adopt the resurfacing plan, but it died by a vote of 4-3 with Eagerton, Eugene Bradley and Damascus Crittenden casting the three affirmative votes. Voting against the motion were Sid Averett, Bill Faulk, Robert Stephens and Jimmy Bryan.

In other action at Monday's meeting, the commission:

- ***approved the minutes of the previous meeting;
- ***opened bids on plant mix and delayed awarding of a contract until the engineer could study the bids;
- ***accepted a low bid from Russell Concrete to be used by the county;
- ***accepted the low bid on fuel from Heath Oil Company;
- ***passed a resolution declaring May as Older Americans Week, May 1 as Golden Age Sunday and May 12 as Older Coffee Countians Day in Coffee County;
- ***heard a complaint of garbage being dumped near a church in Enterprise;
- ***heard a representative of the Southeast Alabama Regional Planning and Development Commission report on the progress of a grant application for rural water systems in the county;
- ***agreed to deed an abandoned roadway back to the original landowner;
- ***approved the semi-annual financial statement;
- ***was told that the state had presented the county with a \$100,000 check to be used for improving the arena at the Farm Center for installation of acoustical tile ceiling and insulation and a concrete floor;
- ***discussed the need for roadwork at Jeter subdivision;
- ***pledged to help in the construction of the new fountain at the courthouse square in Elba;
- ***passed a resolution seeking Sen. Crum Foshee and Rep. Jimmy Holey to get funds to resurface the road at the Coffee County Lake;
- ***and, instructed the engineer to do roadwork on the Ewell Griffin Road.

DETAILS RESURFACING PLAN...County engineer Mark Pool explains the details of his proposed \$821,000 resurfacing plan to members of the county commission at Monday's meeting. The commission killed the plan by a 4-3 vote. (See accompanying article)

Third trial set for June 13 in Troy

The third murder trial of a former Coffee County woman charged in connection with the 1981 shooting death of her husband has been rescheduled for June 13 at the Pike County courthouse, in Troy.

LaDonna Lynn Tucker, charged with murder for her involvement with the shooting death of her husband, Sgt. Jimmy Tucker, was originally scheduled to stand trial on March 21 in Troy, but failed to appear for the trial and was later arrested on a fugitive warrant in Kansas.

Mrs. Tucker had her original conviction thrown out because of a technicality and the second trial ended in a mistrial when the jury failed to agree on a verdict.

Judge Gary McAliley has set a bond forfeiture hearing for Thursday, April 28 and Mrs. Tucker may also face charges for contempt of court.

CANCER SOCIETY MAKES PLANS...The American Cancer Society is now conducting its annual door-to-door fund raising drive and society volunteers met last week to finalize plans for this year's event. The goal in Elba is \$4,500 and volunteers will visit every household in the city in an attempt to meet the goal.

Georgia man to stand trial as adult in murder case

A 20-year-old Georgia man has been certified to stand trial as an adult for the second time in connection with a murder-for-hire charge filed when the man was a juvenile.

Timothy David Stubbs, age 20, was recertified as an adult on Tuesday, April 19 by Circuit Judge Gary McAliley and will stand trial as an adult for the July 25, 1985 death of James Edward Nelson.

Stubbs was originally certified as an adult to face a capital murder charge on Sept. 19, 1985 following a 17 hour hearing; however, the original ruling was appealed to the Alabama Court of Criminal Appeals and the case was later returned to the county.

Stubbs and Richard Steven Adams, both from Georgia, were charged with kidnapping, robbery, murder-for-hire and murder in connection with the death of Nelson, a Coffee County resident.

Nelson was abducted from his home in north Coffee County by two youths allegedly hired by Easton Darris Mullis, whose wife was apparently living with Nelson at the time.

Nelson's body was found approximately seven hours after the reported abduction under the Conecuh River bridge, near Glenwood, by members of a pulpwood crew.

Coffee County District Attorney Joel Folmar contends that Mullis hired the youths to kill Nelson and was apparently living with Nelson at the time.

Mullis was convicted in 1987 on three counts of kidnapping, robbery and murder in connection with the case and sentenced to life in prison without parole, while Adams pleaded guilty to the murder charge in 1986.

A trial date for Stubbs has yet to be set; however, if convicted, he will face a possible death sentence or life without parole.

Stubbs is presently serving a nine and one-half year sentence at the Mt. Meigs State Prison for his Feb. 22, 1986 escape from the Coffee County jail.

National Security shareholders pass amendments with eye on the future

The shareholders of National Security Insurance Company approved several amendments to the company's Articles of Incorporation at the annual meeting held on April 21, 1988 at company offices in Elba, Alabama.

The amendments adopted by the shareholders will (1) increase the company's authorized shares of common stock to 10,000,000 shares, (2) create a class of Preferred Stock issuable in series with the Board of Directors of the company having the authority to establish the rights and attributes of each said series prior to issuance and (3) require that mergers and certain other business combinations involving the company and certain large shareholders be approved by 75 percent of the stockholders unless certain "Fair Price" and other requirements are met or the transaction is approved by the majority of the Board of Directors unaffiliated with said large shareholder.

The amendments had been recommended to the shareholders by the company's Board of Directors.

In commenting on the action taken, National Security president J.R. Brunson stated that "We were very pleased that the shareholders elected to follow the recommendation of the Board of Directors in approving these amendments. The amendments should increase the Board's ability to effectively represent shareholder interests and provide the company with greater flexibility in responding to future business opportunities."

Cancer Society fund raising efforts now underway in Elba

The Elba chapter of the American Cancer Society met last week to finalize plans for the upcoming fund raising efforts in the city and set a goal of \$4,500 for the two-week drive.

Elba chapter chairman Mickey Murdock reported that Betsy Martin would head up the residential effort, while Jerry Brown would act as business chairman.

The fund raising drive in Elba began on April 23 and will continue through May 6 and Cancer Society volunteers will attempt to visit every house and business in Elba during the annual event.

"The American Cancer Society is now conducting its fund raising drive across the nation," stated Murdock, "and with the help of everyone we can reach our goal here in Elba as well across the nation."

Anyone wishing to make a donation to the American Cancer Society that is not contacted should call Mickey Murdock at 897-5976 (n).

Elba City Council approves plans for resurfacing at cost of \$48,930

The Elba City Council opened bids on paving a host of city streets Monday night and bids varied from a high and low by over \$37,000.

Councilmember John W. Sharpless, who serves as mayor pro-tem, presided over the meeting in the absence of Mayor Bob English. All five council members were present and voting.

Low bidder on the project was S & C Paving with a bid of \$48,930. Four other bidders offered bids ranging up to over \$86,000.

The Council voted to accept the apparent low bid, assuming it met all technical specifications. They reserved the right to remove or add additional streets, pending the return of Mayor English later in the week.

The current operating budget of the city council included borrowing \$40,000 this year to be used in street paving and resurfacing. The city has some tax funds that are earmarked by law for street work and this will be added to the borrowed money to complete the job. Sharpless explained.

Police Chief John White told the council members that his department's work had been routine for the past week with only a few traffic citations being issued.

A copy of the current financial statement was presented to the council members and revealed the city had a strong cash position as of April 25th caused partially by a large, previously announced payment from Southeast Alabama Gas. This payment was a profit sharing payment after an unusually profitable year for the gas company, which is owned by the participating cities.

The total cash on hand was \$180,027.67. Monthly appropriations and other payments from the general fund are \$4,572.84 and monthly bond payments are \$11,043.39 to seven different banks and the Farmers Home Administration.

REGISTERED NURSE OF THE YEAR...The staff at the Elba General Hospital recently selected Cindy Lawford as it's "Registered Nurse Of The Year." Lawford began working at Elba General as a D.O. student while attending Elba High School and later served as a Licensed Practical Nurse for 5 years before becoming a Registered Nurse two years ago.

Promotions announced at Elba plant of Dorsey Trailers

Paul King, vice president - Van Manufacturing at Dorsey's, has announced the following promotions at the Elba plant, effective as of April 21.

Russell Cash was promoted to general manager.

John Crittenden to manager of Manufacturing;

Fred Kelley to Production superintendent.

King pointed out that Cash, Crittenden and Kelley are "well qualified for their new positions," having a combined total of over 50 years experience with Dorsey.
